

# VON SÜDENFED

Domino are proud to announce the release of 'Tromatic Reflexxions', the debut album from Von Sudenfed, on Monday the 21<sup>st</sup> of May 2007. Von Sudenfed are a trio formed by Andi Toma and Jan St Werner from Mouse On Mars and The Fall's brilliant, anarchic frontman Mark E. Smith.

The album will be preceded by the release of 'Fledermaus Can't Get Enough' on 12" and via download on Monday the 7<sup>th</sup> of May.

'Tromatic Reflexxions' will be available on CD (WIG190), vinyl (WIG190) and via digital download (WIG190D). Tracklisting is as follows:
